Avon Fire & Rescue Service (AF&RS) serves the Unitary Authority areas of Bristol, Bath & North East Somerset, North Somerset and South Gloucestershire. It has 21 operational fire stations, together with offices, covering all areas, with its Head Quarters based in Portishead, near Bristol. AF&RS Control Centre, where emergency calls are handled, is situated in Lansdown, near Bath.

With an annual budget of around £50 million, AF&RS delivers a wide range of fire, rescue and community safety services across a geographic area of approximately 514 square miles with a residential population of more than one million people.

AF&RS employs over 800 staff made up of: Service Delivery including whole-time and on-call Firefighters, and staff in its Control Centre, Service Delivery Support, and Corporate Services.

This post is within the Workforce Development Team, within the People Services (Service Delivery Support) Directorate, and reports to the Recruitment & Onboarding Advisor.

This role can be considered on a part time basis of a minimum of 3 full days. If we appoint at part time, there will be an expectation that the post holder will be able to work additional hours at key recruitment periods, for example during fire fighter recruitment campaigns.

With effect from July 2023, UK legislation was amended to enable Fire & Rescue Services to undertake standard Disclosure and Barring Service (DBS) checks for all employees.
